img.3

Built by U.I.E. shipyards in Glasgow (1980). Suitable for worldwide operations. Rated for 300 ft w.d.

Dimensions:

Length hull only: 74 m
Length overall: 108 m
Width o.a.: 61.15 m
Depth of hull: 7.92 m
Legs length o.a.: 125 m

Design criteria:

Max. operating water depth: 91.5 m
Max. variable load: 2,168 t
Drilling depth: 6,400 m

Crew facilities:

Air conditioned accommodation for 112 people.
